

GPCA Health Awards 2018

By Darrell Goolsbee

GPCA Health Awards were presented to 39 Great Pyrenees dogs and 4 owners for achievements with health testing in 2018.

The GPCA Health Awards had another good year in 2018, with six dogs receiving Gold Awards for having six health clearances, and another 33 dogs receiving Silver Awards for having three clearances. Four people also received awards, two owners and two breeders (who had qualified but I had inadvertently missed previously).

Clearances from the latter part of the year will be included on the 2019 report. If you spot an omission or mistake, please contact me at dgoalsbee@gmail.com.

2018 Awards
